OFFICE OF LEGISLATIVE COUNSEL

Sunday - 19 February 1967

25X1 1. [redacted] Over the weekend, I attempted several times to reach Dr. Thomas Morgan, Chairman, House Foreign Affairs Committee, both at his home and in the district but was unsuccessful.

25X1 2. [redacted] On Saturday, 18 February, I talked with Congressman Wright Patman concerning the WASHINGTON POST article on foundations, referring to information secured from Patman's Sub-committee files. I indicated that their files did contain a great deal of information which was not available to Internal Revenue Service or other organizations and it was our wish that Mr. Patman could assist us in avoiding further disclosures. The Chairman said he wished to help us but this was difficult since it was not classified information and requested that I work out arrangements on this with Mr. Olsher.
